Can be eye irritant when atomized
 Inhalation: vapors may irritate nose, throat and lungs. May cause headaches and nausea without proper ventilation.

Carcinogenicity: NTP? IARC Monographs? OSHA Regulated?

Signs and Symptoms of Exposure:
 See health hazards

Medical Conditions Generally Aggravated by Exposure
 Respiratory problems

Emergency and First Aid Procedures
 If ingested, give two glasses of water and induce vomiting - consult physician.

Section 7 - Precautions for Safe Handling and Use

Steps to be taken in case material is released or spilled
 Contain spill with inert material (sand, absorbent, dirt)
 Return spill to containers and dispose
 Keep out of sewers and bodies of water

Waste Disposal Method
 Reuse uncontaminated leftovers when possible
 Dispose of material in accordance to local, state and federal regulations

Precautions to be taken in handling and storing
 Do not freeze - may coagulate
 Provide sufficient ventilation when applying

Other Precautions
 If frozen, thaw at room temperature and avoid breathing vapors. Avoid skin and eye contact also. Do not use after being frozen.

Section 8 - Control Measures

Respiratory Protection (Specify Type)
 Not normally required. Limit exposure time, use in open, well ventilated area.

Ventilation	Local Exhaust	<input type="checkbox"/>	Special	<input type="checkbox"/>
	Mechanical (General)	Provide sufficient amt. To maintain exposure below TLV.	Other	<input type="checkbox"/>

Protective Gloves: Rubber Eye Protection: Safety Glasses
