

Section 1 - Material Identification

Product:	Lumia Finish	Manufacturer:	Master Wall Inc.
		Address:	6975 Flat Rock Road Midland, GA 31820
Date Issued:	5/1/2010	Telephone:	706-569-0092 www.masterwall.com

Section 2 - Hazard Ingredients/Identity Information

Ingredients	CAS#	OSHA-PEL	ACGIH-TLV	%
Acrylic Polymer	N/A	NE	NE	15-30
Ammonia		50 ppm	25 ppm	0.04-0.06
Silica, crystalline quartz	68475-25-5	0.1 mg/m3 (respirable)	For respirable dust in mg/m3: 10 mg/m3 %SiO2=2, For total dust: 30 mg/m3 %SiO2=2	50 to 75
Mica	12001-26-2	0.1 mg/m3 (respirable)	For respirable dust in mg/m3: 10 mg/m3 %SiO2=2, For total dust: 30 mg/m3 %SiO2=2	1 to 10
Water	7732-18-5	NE	NE	5-10

Section 3 - Physical/Chemical Characteristics

Boiling Point:	over 212°F	Specific Gravity (H2O=1):	2
Vapor Pressure:	N/A	Melting Point:	N/A
Vapor Density (AIR=1):	N/A	Evaporation Rate (Butyl Acetate=1):	N/A
Solubility in Water:	Insoluble		
Appearance and Odor:	Opaque, semi-solid, wet stucco-like material. Slight ammonia odor.		

Section 4 - Fire and Explosion Hazard Data

Flash Point (Method Used)	Non-combustible	Flammable Lir	N/A	LEL		UEL	
Extinguishing Media:	N/A						
Special Fire Fighting Procedures:	N/A						
Unusual Fire and Explosion Hazards:	Closed container may build up pressure due to heat exposure, containers may rupture or melt						

Section 5 - Reactivity Data

Stability	Unstable		Conditions to Avoid	
	Stable	x		
Incompatibility (Materials to Avoid):	None			
Hazardous Decomposition or Byproducts:	None			
Hazardous Polymerization	May Occur		Conditions to Avoid:	N/A
	Will Not Occur	x		

Section 6 - Health Hazard Data

Routes of Entry

Inhalation?

Skin?

Ingestion?

Health Hazards (Acute and Chronic)

Skin: Prolonged, direct contact may cause irritations or abrasions

Eye: Probably irritates eyes upon direct contact. Aggregate particles in dust may cause corneal abrasions

Inhalation: Dust & vapors may irritate nose, throat & lungs; may cause headaches and nausea without proper ventilation

Respirable crystalline silica has been listed by IARC as carcinogenic to experimental animals and has developed limited evidence for carcinogenicity to humans, however, IARC has determined that the carcinogenicity to humans is neither certain or proven. The critical regulatory particle size for respirable silica is #10 µm MMAD (as in the PM NAAQS). The crystalline silica in this product is not of dry, respirable form. Respirable silica may be created by grinding operations on the dried film.

Carcinogenicity: NTP? IARC Monographs? OSHA Regulated?
Possible if inhaled over a long period of time

Signs and Symptoms of Exposure:
See Health Hazards

Medical Conditions Generally Aggravated by Exposure
Respiratory problems

Emergency and First Aid Procedures
Inhalation: get to fresh air - consult physician if symptoms persist. Skin: rinse with water and wash with soap and water.
Ingestion: seek medical attention immediately. Eyes: flush with water for 15 minutes and consult physician if burning, pain

Section 7 - Precautions for Safe Handling and Use

Steps to be taken in case material is released or spilled
Contain spill with inert material (sand, absorbent, dirt)
Return spills to containers and dispose
Keep out of sewers and bodies of water

Waste Disposal Method
Reuse uncontaminated leftovers when possible
Dispose of material in accordance to local, state and federal regulations

Precautions to be taken in handling and storing
Do not freeze wet materials - may coagulate
Provide sufficient ventilation when applying

Other Precautions
If frozen, thaw at room temperature and avoid breathing vapors. Avoid skin & eye contact also. Do not use after being frozen.

Section 8 - Control Measures

Respiratory Protection (Specify Type)
For dusty conditions use a dust mask approved by NIOSH

Ventilation	Local Exhaust	<input type="text" value="x"/>	Special	<input type="text"/>
	Mechanical (General)	<input type="text"/>	Other	<input type="text"/>

Protective Gloves: Eye Protection:

Other Protective Clothing or Equipment
Use adequate clothing to minimize skin contact

Work/Hygienic Practices
Clean clothing on a regular basis

EPA Supplier Notification/Environmental:
This trade name product contains no chemicals subject to the reporting requirements of Section 313 of Title III of the Superfund Amendments and Re-authorization Act of 1986 (SARA) and 40 CFR Part 372.
This product contains no ingredients on the list of Extremely Hazardous Substances for SARA Emergency Planning. Tier I / Tier II Hazard Category (40 CFR 370): Immediate Health Hazard.

The information contained in this bulletin is based upon data considered accurate and is presented in good faith. Master Wall Inc. assumes no liability, either expressed or implied for personal injury or any other conditions caused by the use of this material.
